

## January Principal's Message

December was an incredibly busy month for us at Seba Beach with some fantastic events for our students!

Our grade 3-5 students finished off their Play Parkland schedule which saw them experiencing swimming, skating, aerials at the Tri-Leisure in Spruce Grove. We were lucky to host the Parkland School Division Board of Education at the school for a tour and chat. First term report cards went out and our incredible School Community Council hosted a Christmas Craft afternoon for our kiddos. We Care sponsored free haircuts at the school and our Middle Years students did some baking for the rest of the school while our students practiced and put on an incredible Christmas Concert! We hope you had the chance to enjoy it!

January also has some exciting events and opportunities for our students and families. There will be a Parkland Board of Education meeting on January 14th in the school gym at 6pm where the school viability report will be given to the board. Our Middle years students will be treated to a WEST End dance at Wabuman on January 24th with CTF week following closely behind. We are also lucky to have MADD at our school January 31st for an important presentation. Our teachers are also planning to take full advantage of our gorgeous landscape with outdoor education classes.

As a quick reminder- please make sure you send warm winter clothing with your child everyday regardless of age as we value being out in nature and fresh air and everyone goes outside at least 3 times a day, everyday.

- Ms. Leanne Gruending

## Staff Profile - Ms. Erin Stofflen

I teach grade 2/3 math & LA, grade 3 science and social, grade 1-3 health, music & PE, grade 4-6 PE and eco lit. I helped organize our Halloween STEAM challenge day and I'm looking forward to helping students put together our Christmas concert. I have my bachelors in elementary education from the UofA. I'm passionate about early literacy and helping students fall in love with learning. I have been teaching for ten years and my family dog Marley is a retired pet therapy dog who used to come to school with me
