

March Newsletter

January seemed to take five years and February went by in the blink of an eye. Here we are in March and time doesn't seem to be slowing down!

We would first like to congratulate Mrs. Olsen on her adorable little baby boy Brooks Robert Olsen. We would also like to welcome Mr. Todd Hudson who is replacing Lindsey in our Middle Years program.

February and March has our students busy with LOTS of Outdoor Ed. They have been snowshoeing and cross country skiing and creating all sorts of muddy creations. Thanks to S.E.B.A (Our parent fundraising organization) our grades 4-9 had the opportunity to enjoy curling at the local rink. Our middle years students are also gearing up for their final CTF of the school year with Coding, Outdoor Pursuits, Guitar, Sewing, Movie Magic, Home Cook Heroes, and Learning Through Movement options. We have a group of students heading to Kids Can Cook on March 20th with Mrs. Schumm and Ms. Stofflen.

On March 17th, at the Board Meeting in Stony Plain, the Board of Trustees will be making their decision as to the fate of Seba Beach School. After the decision is made, information will be sent out to our families.

Please remember Power School registration for next year closes on March 20th. If you need any help at all please stop in or call Mrs. Shave as she is more than willing to help out.

Student Led Conferences are also coming up on April 1 and 2nd from 3:30 - 5:30. We encourage all parents and guardians to come to the school and chat with teachers or myself about how their child is doing and what next year might look like. We look forward to seeing you!

Staff Profile

Hi there! I'm Shae Smithaniuk. This year I'm teaching Early Education, Kindergarten, Grade 1, with some Grade 2 and 3 courses sprinkled on top! I graduated from Concordia University of Edmonton in 2017 with my Bachelor of Arts, and a Bachelor of Education. I've been so lucky to start my career out in Seba Beach and have loved every minute. Parkland School Division is very close to my heart as my dad taught with PSD for 35 years, as well as I attended all my schooling through PSD. In my personal time I love spending time with my family and friends, as well as exploring Edmonton amenities, reading, and practicing art. I've recently taken up calligraphy which has been a rewarding challenge. I'm looking forward to the warm weather and all the outdoor opportunities it provides for the students.
