

# November Newsletter

Wow! The 2019/2020 School is off to an incredible start! We have many new faces in our building, both students and staff, and we have been having a fabulous 2 months of getting to know each other. Students have been taking part in: Love Bomb, We Day, Rob Nash, Play Parkland, Roots of Empathy, Start Strong all alongside their exciting academic programming. For Halloween we planned an afternoon of STEM Halloween themed activities that the students LOVED. It has been busy here at Seba Beach!

In November we are excited to host CTF Nov 4-7 with grade 6-9 students from Entwistle, Tomahawk, and Wabamun all coming to Seba for an exciting week of options programming. We also invite you to come to our Student Led Conferences on November 5th & 6th where students will have the opportunity to showcase what they have been learning and you'll have the opportunity to chat with their teachers!

If you aren't on our school Facebook Page: Seba Beach School we would encourage you to join- lots of important information and updates get posted there :)

## Sports

Thank you to Mrs. Olsen for running our Jr. Girls Volleyball program! They have been having an incredible season filled with fun and skill development.

Thank you also to Mrs. Tremblay and Mrs. Silva for running our Archery program for grades 4 -9 this year. Thank you also the S.E.B.A for purchasing our archery equipment last year so we could get this amazing opportunity going this year.

## Staff Spotlight:

Hello, I am Mrs. Olsen. I love to teach! This year, I am teaching ELA 6-9, Social 6-9, and PE/Health/Art 7-9. I grew up at Jackfish Lake and I currently live on an acreage by Blueberry School. I love travelling and learning more about the world around me. I have been teaching for 9 years and I have taught all grades from 4-12. I really enjoy reading and spending time outdoors camping and quadding with my husky pups (Luna and Malina) and my husband Matthew.
